ISCA Equity Scholarship

At ISCA there is an integrated college community of international and Australian students, which embraces all cultures and benefits from breadth and diversity. It is a key value of ISCA to enable students from all backgrounds to have an opportunity to study at tertiary level. ISCA provides equity scholarships for both tuition and accommodation, to help financially disadvantaged Australian students.

A number of Equity scholarships are available of varying values. These Equity Scholarships provide tuition fee waivers to a level decided by the ICMS Scholarship Board in each case. The ICMS Scholarship Board is also able to consider Accommodation/Living Costs scholarships for the eligible applicants of various values and duration.

The ICMS Scholarship Board will manage the selection and allocation of funds. Tuition and/or accommodation/living cost funds are disbursed directly to ISCA on behalf of the recipient of the Equity Scholarship.

Value: UP TO \$20,000*

Applications Due: 5pm Friday 21 November 2025 (for the February 2026 study period).

How to Apply:

1. Ensure you meet the eligibility criteria found below
2. Complete your application and prepare your report supporting your application and other documentation if required
3. Apply online at www.icms.edu.au/scholarships OR mail it to ICMS Scholarships, 151 Darley Road, Manly NSW 2095 by 5pm Friday 21 November 2025**.

** Value of Scholarships varies according to the course undertaken and may vary from the estimated value printed here, and from year to year.*

*** Close date may be subject to change for this scholarship only.*

Eligibility:

The eligibility requirements for the ISCA Equity Scholarship are as follows:

1. Australian citizens or permanent residents.
2. Must be a full-time student and have successfully completed Year 12 or equivalent.
3. Can demonstrate financial hardship – A person is considered to be experiencing financial hardship when they are:
 - a) Receiving a Centrelink (or other Commonwealth) means tested income support payment
or
 - b) Expected to receive a Centrelink (or other Commonwealth) means-tested income support payment during 2025
or
 - c) Able to provide comprehensive information demonstrating exceptional hardship

Evidence of financial hardship – Equity Scholarship applicants can claim financial hardship under only one of the above categories of financial hardship. Applicants claiming financial hardship must provide one of the following types of evidence. The type of evidence you must provide relates directly to the category of financial hardship you're claiming:

- a) Provision of your Centrelink Customer Reference Number (CRN) when completing the online application
or
 - b) No documentation is required to support eligibility if you expect to receive a means-tested payment. However, when you submit an equity scholarship application, you will be required to verify your receipt of an allowance to ISCA before the Scholarship is taken up
or
 - c) Documentation provided to support eligibility for exceptional financial hardship must demonstrate a level of real enduring financial hardship.
4. Applicants under any of the above categories must prepare a one-page report in support of their application (refer to Report for details).

Meeting the scholarship eligibility criteria doesn't guarantee that you'll be awarded a scholarship. There are a limited number of Equity Scholarships and there are more applicants than scholarships. As part of a competitive application process, applicants are ranked against the eligibility criteria and the ICMS Scholarship Board will award the Equity Scholarships to those who are judged by the committee to best meet the eligibility criteria.

If you're not successful, it doesn't mean you're not in need; rather, it means there are other applicants who've been assessed as being in greater need.
